EDUCATION

Georgia State University   Atlanta, Georgia
B.S. in Data Science. GPA: 4.01   *Fall 2022 - Spring 2026*
Organizations: The 1913 Society, Panthers in the Valley, GSU Honor's College
Relevant Coursework: Data Structures & Algorithms, Theoretical Foundations of CS, Probability & Stats for CS, Multivariate Calculus, Linear Algebra
Certificates: Google Advanced Data Analytics (In Progress)

TECHNICAL SKILLS

Computer Languages: Python, R, HTML, CSS, C
Software/Systems: Visual Studio IDE, Tableau

PROJECTS

Analysis of Online Sales Data | Python: Pandas, Sklearn, Matplotlib   *April 2023*
- Analyzed a 2021 retailer dataset with over **100,000** data points to identify key trends in customer behavior and revenue generation using **pandas**.
- Leveraging **sklearn** for regression analysis, discovered that newsletter subscriptions correlated with a **19%** increase in customer revenue, and voucher usage contributed to a **10%** rise in overall sales.
- Visualized key findings with **matplotlib**, presenting actionable insights through bar graphs and dashboards to support data-driven decision-making.

Portfolio Website | HTML, CSS, JavaScript   *September 2024*
- Designed and developed a professional personal website using **HTML**, **CSS**, and **JavaScript**, featuring "About," "Projects," and "Contact Me" sections.
- Deployed on Netlify and hosted via GitHub, achieving a load time of under **2 seconds** and attracting over **50** unique visitors within the first month.

WORK EXPERIENCE

Chick-fil-A   Conyers, Georgia
Certified Trainer   *July 2021 – Present*
- Resolved guest complaints and guided new team members through onboarding, alleviating pressure on Shift Leads while fostering a collaborative and efficient work environment.
- Played a pivotal role in increasing store sales by **25% year-over-year**, contributing to a daily revenue of approximately **$40,000** by maintaining exceptional customer service standards and operational efficiency.

EXTRACURRICULAR

Amazon FBA and FBM Seller   *July 2023 – Present*
- Operated Amazon's FBA (Fulfillment by Amazon) and FBM (Fulfillment by Merchant) programs, generating over **$20,000** in sales for my self-owned business, *Last World LLC*.
- Allocated approximately **20** hours per week conducting product research, managing inventory, coordinating shipments, and ensuring timely delivery to both customers and Amazon fulfillment centers.

Peer Mentorship   *Fall 2023*
- Delivered one-on-one mentorship to a fellow student in their College Algebra course, focusing on foundational concepts, assignment completion, and exam preparation.
- Helped improve the student's grade from a **C** to an **A-** over the semester through tailored learning strategies and consistent support.
